My Turn, Your Turn

| My turn	your turn	My turn	your turn

When I see	a toy	or a book

that someone else	is using	I want so much	to take a look	t sometimes gets confusing

But, I can ask,	"Can I play with that?"	and listen	for an answer back.

and if I hear	"yes,	it's OK"	then it becomes my turn

My turn	your turn	My turn	your turn

Sometimes	when I have	something fun,	you	may want to see it
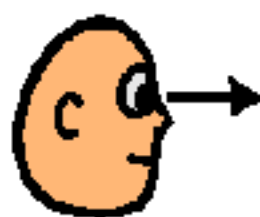

And maybe when	my turn	is done,	It could be nice	to share it.

Taking turns	is good to do	back and forth	from me	to you
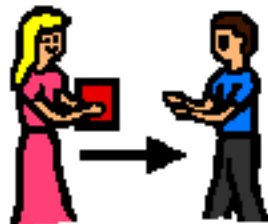

And if I	give you	a turn

you'll	give me	one	too
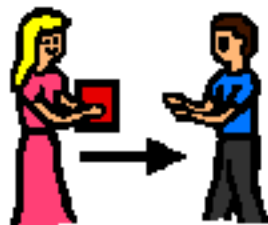

Wow!	that puzzle	looks	really fun.

May I ...	please	have a turn	when you're	done?

Sure!

My turn	your turn	it's my turn	My turn	your turn

My turn	your turn	it's your turn	My turn	your turn
